

About

With \$127 billion¹ in assets under management ("AUM"), a legacy of financial stability spanning more than 100 years and a commitment to creating lasting value and peace of mind, Talcott Financial Group provides flexible, innovative solutions designed to drive results that matter.

Leveraging the strength of our U.S. insurance operations and global reinsurance platform, our team delivers tailored insurance products, tools and services with speed, precision and reliability. And through our partnership with Sixth Street, a leading global investment firm with over \$115 billion in AUM, our expansion into retail distribution products, developed with our customers in mind, is a natural progression. We do this work at scale and with confidence—empowering our stakeholders to turn the future they've always envisioned into the reality they can rely on.

Decades of annuity design

With a 50-year history of pioneering powerful annuity products, we continually work to innovate so clients can consistently thrive through retirement.

Proven leadership team

Our team is long tenured and deep, with a track record of proven performance to match. Armed with knowledge and creative at the core, they bring the expertise required to elevate everyday opportunities into extraordinary outcomes.

Commitment to our customers

Underlining a commitment to helping our customers and policyholders succeed, our retail distribution operations are located domestically—giving us an edge in providing responsive, premium service day in, day out.

Risk management discipline

Fortified by the management of multiple market cycles, our risk platform offers robust and sophisticated scenario analysis capabilities, supporting decision-making and maintaining a prudent risk profile for the enterprise across a wide range of scenarios.

Century of experience

We draw on 100-plus years of experience and an unwavering focus on service to deliver enduring value solution after solution, customer after customer, time after time.
